Bill Bedali, our newsletter editor has been feeling under the weather for a couple of weeks. The President is the author today. We wish Bill a speedy recovery.

The auction of the 2009 Scott catalogues was postponed till the 2nd meeting this month. Members are encouraged to bring in lots to put in the auction.

As you read this newsletter, you may have noticed

that our start time has changed. The doors will open at 12:30 instead of 1:00. The Boro and the Police have been notified of this change.

A schedule of meetings for the year is enclosed. One change is that we are having a meeting on May 1. The reason for this is that the 2nd April meeting is Easter and the 1st May meeting is Mother's Day. It would be too long with-

out a meeting and we need to have a show recap.

WILKPEX 2011 is April 16 & 17. Now is the time to put an Exhibit together. It can be as small as 1 frame which is 16 pages. Exhibit what you like and tell a story. The time is now to put lots together from your extra stamps you have laying around for the Phlea Market.

Some Sad News

Dr. John J. Nunes PhD passed away Sunday, January 16, 2011 while in Toronto, Ont., Canada attending a stamp exposition. Most of you know him as one of the largest cover dealers who was part of WILKPEX. He was a pleasure to do business with always

willing to help out and a joy to talk to. He will be missed by collectors everywhere. May God grant him eternal rest.
