Lions park
4065 Miller St, Pittsburgh, PA 15221

Note – there is a steep hill from Miller Street down into the park – the pavilion is straight back – there are only 3 or 4 parking spaces at the pavilion so you can drop off your stuff then park closer to the baseball field.

There is a playground and a splash pad (if it's still warm).

The bathroom is right by the pavilion.

We have a grill and plugs so we can have crock pots and music. If you are bringing something electrical please bring an extension cord just in case we need it.

Please feel free to bring games, indoor or outdoor!

Rain or shine we'll be there!
