

Wilksburg Stamp Club Souvenir Sheet Ordering Information

We have received many letters telling us that the writers have missed the publicity of our Souvenir Sheets, some for many years. Many indicate that they have collected them since the original 1961 sheet and don't want to miss the new ones.

Therefore, we invite collectors to order them a year in advance to be assured of getting the first sheets off the press. One of these forms is included with each order, inviting you to send a self-addressed stamped envelope, regular large size #10 envelope, (4 1/8 in. x 9 1/2 in.), include your check or money order for as many sheets as you would like to buy.

Fill out the form below and mail to:
